However if an employee has been **appointed to more than one Role** in the CAS-ERP then he/she will have to **first select the position** to use the rights **related** with the **position** by clicking on the briefcase icon at the top of the page.

Clicking the **briefcase icon** will open a page showing all the **various positions** to which the **employee is appointed**.

On clicking the designation a page similar to the landing page will appear however it will show different main tabs as per the employee designation selected above.
